The photography of the Egyptian back-grounds used in the production of "Joseph in the Land of Egypt," which is the attraction at the Liberty theater for three days beginning today, is rated among the best ever taken of Egypt by the motion picture camera. The photography in this feature film maintains a standard of high excellence throughout.

Two features are on the bill for today at the Rex, one featuring Leah Baird and the other Irene Wallace, two of the most popular screen actresses. The Silver Loving Cup." in which Miss Baird appears, is a strong society drama, in which a husband and wife learn their lesson through the bitter fires of experience. The Power of Prayer," with Miss Wallace, is a Salvation Army drama, which makes a strong appeal. It has some sensational scenes, which must be seen to be appreciated. The Animated Weekly is also on the bill.

"On the Altar of Patriotism," an intensely interesting story of European politics, will be the headliner at the Mehesy today and tomorrow. It is a fine, well-acted drama, beautifully staged, of sacrifice for the fatheriand and self-denial for the good of a nation. Senorita Saharet, the famous Spanish dancer, is most attractive as the leading woman. "On the Altar of Patriotism" is produced in two reels by Pathe. A charming child story, "Little Lillian Turns the Tide," and two comedies are included in today's bill.

DANDRUFFY HEADS **BECOME HAIRLESS**

Scalp Dries-Chokes out the Hair And Prevents Its Growth.

If you want plenty of thick, beautiful, glossy, silky hair, do by all means get rid of dandruff, for it will starve your hair and ruin it if you don't.

It doesn't do much good to try to brush or wash it out. The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid aryon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.
